Jesus Christ's Letter.

Said to have been found under a Great Stone, sixty five years after the Cruci-fixion of our blessed Saviour, eighteen miles from Ionium, transmitted from the holy city by a converted Jew; faithfully translated from the original Hebrew copy, now in possession of the Lady Cuba's Family at Mesopolamia. This letter was written by Jeans

This letter was written by Jesus Christ, and found under a great stone, both round and large, at the foot of the cross, eighteen miles from Iconium, near a village called Mesopotamia; upon that stone was written and engraved, "Blessed is he that shall turn me over." All people who saw it, prayed to God earnestly, and de-sired He would make known to them the meaning of this writing, that they might not attempt in vain to turn it In the meantime there came a little child, about six or seven years old, and turned it over without help, to the admiration of all the people that stood by, and under this stone was found a letter written by Jesus Christ, which was carried to the city of Iconium; and there published by a

of Iconium; and there published by a person belonging to the Lady Cuba, and in the letter was written the "commandment of Jesus Christ," signed by the Angel Gabriel, twenty-eight years after our Saviour's birth: "Whoever worketh on the Sabbath day shall be cursed. I command you to go to church, and keep the Lord's day holy, without doing any manner of work. You shall not idly misspend your time in bedecking your-selves with superfluities of costly apselves with superfluities of costly apparel and vain dresses, for I have ordained it a day of rest; I will have that day kept holy, that your sins may be forgiven you; you shall not break my commandments, but observe and keep them, written with my own hand; write them in your hearts, and steadfastly observe this was written with my own hand, spoken by my own mouth. You shall not only go to church yourselves, but also your man servants and your maid servants, and observe my work and leave and leave the servants. and observe my words and learn my commandments; you shall finish your labor every Saturday in the afternoon by 6 of the clock, at which hour the preparation for the Sabbath begins. I advise you to fast five Fridays in every year, beginning with Good Friday, and to continue the four Friday. Friday, and to continue the four Fridays immediately following, in remembrance of the five bloody wounds I received for all mankind. You shall diligently and peaceably labor in your respective vocations, wherein it hath pleased God to call you. You shall love one another with brotherly love, and cause them that are not baptized to come to church and hear the holy Sacrament. viz: Baptism and the Sacrament, viz: Baptism and the Lord's Supper, and be made members thereof; in so doing I will give you long life and many blessings, and your land shall bring forth abundance. I will give you many blessings, and comfort you in the greatest tempta-tions, and sarely he that doeth to the heart upon them, till I have destroyed them, but especially upon hardened 6 for sale by E. & G. and impenitent unbelievers. He that and impenitent unbelievers. He that hath given to the poor, he shall not be unprofitable. Remember to keep holy the Sabbath day, for the seventh day I have taken to myself; and he that hath a copy of this letter, written with my own hand, and spoken with my own mouth, and keeps it without publishing it to others, shall not prosper; but he that publisheth it to others, shall be blest of me, and though his sins be in number as the though his sins be in number as the stars in the sky, and he that believes in this shall be pardoned, and if he believes not this writing and my Commandments, I will send my plagues upon him, and consume both him and his children, and his cattle; and whomsoever shall have a copy of this letter, written with my own hand, and keeps it in their houses, nothing shall hurt them—neither pestilence, lightning nor thunder shall do them any hurt; and if a woman be with child and in labor, and a copy of this letter be about her and she firmly put her trust in it, she shall safely be delivered of her birth. You shall have no news of me but by the Holy Spirit till the day of Judgment.

All goodness and prosperity shall be in the house where a copy of this letter shall be found.

THE MISERABLES OF THIS BRIGHT AND CHEERFUL WORLD ARESTHE DYSPEPTICS .- Without a good digestion there can neither be bodily comfort nor mental enjoyment.

Between the stomach and the brain there is a close and wonderful alliance. If the one is disordered the other is gloomy, dejected, incapable of effort, and indifferent to all that makes life agreeable to the healthy.

Is this a condition that any rational human being is willing to endure, when the means of certain, immediate and permanent relief can be obtained everywhere?

The Dyspeptic has his fate in his own hands. If he chooses to banish forever the disorder that racks his body and disarbs the mind with nameless korrors, he has only to step to the nearest drug store

and procure a supply of HOSTETTER'S STOMACH BITTERS.

No phase of Dyspepsia has ever yet resisted the alterative, tonic and anti-bilious operation of this potent vegetable specific. It literally regenerates the lethargic stomach; rouses into healthy action the dormant liver; puts to flight the dismal fancies that beset the mind; gently relieves and regulates the bowels; strengthens the enfeebled nerves; restores the appetite, and makes, as it were, a new creature of the desponding and debilitated invalid.

Ladies who suffer from indigestion have only to take a small dose of this pure vegetable corrective, once or twice a day, to seenre entire exemption from the pains and penalties of a weak stomach and that perfect functional regularity, which but few of the sex uninterruptedly enjoy.

Feb 26 No phase of Dyspepsia has ever yet re-
